Course objectives

Ascheri Academy, in cooperation with the University of East London, offers an extensive range of two-week-long specialist training courses, which take place in London and aim at providing capacity building across different areas of law, business and accountancy.

During this specialist training course, which will be provided both through classroom and distance learning, the participants will be offered 30 hours of teachings (three hours, five days a week for two weeks) in the areas of company law, trust law, corporate governance, financial crime, and corporate social responsibility.

Course structure

- English Legal system
- Company Law, forms of business organization, company incorporation
- Articles of Association, The Board of Directors and Directors Duties
- English Trust Law
- Corporate Tax Law
- Corporate Governance
- Corporate Criminal Liability
- Elements of Anti-Financial Crime Compliance
- Corporate Social Responsibility

Fees

£ 1,000 plus VAT (20%)

Ascheri Academy offers **20% discount:**

- for each participant that will register prior to the 31st of July,
- and, when there are two or more participants registered from the same organisation.
